SWISS DESIGN

the elna 120

ELNA INTERNATIONAL CORP. SA

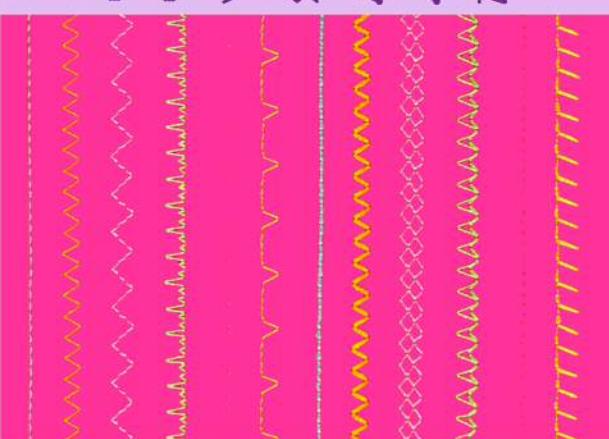

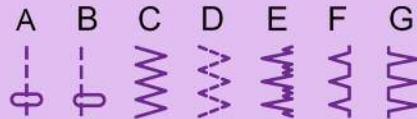

the elna 120

Contemporary, attractive and practical, our sewing machine, the *elna 120*, offers the features needed to fulfill the basic sewing needs.

This user-friendly sewing machine is an ultimate partner for beginners and also for more experienced sewers.

The wonderful bright colour of *the elna 120* provides confidence to the user and makes this model ideal for starting in sewing.

WARRANTY AND SERVICE:
elna's superior reputation was established in 1940 with the production of its first sewing machine. Ever since, elna has continued to be a leading brand of home sewing and related equipment especially designed with the innovative sewer in mind. Thousands of professionals world wide provide expert service. Millions of people have chosen elna for its quality, performance and reliability.

No worries when threading the machine either. The thread path has numbered arrows for users to follow. Users will have just fun!

Thanks to the easy stitch selection with easy grip dials, a 4-step buttonhole and the reverse lever, users can really get into sewing in a fabulously fun way!

FRUITFUL RESULTS

Thanks to the free arm, you can re-hem your jeans in the blink of an eye - with truly authentic results!
