## mechanical sewing machine

### ESSENTIALLY EASY SEWING

The elna eXplore 130 mechanical sewing machine makes sewing easy with its intuitive design and all the features you need for a variety of projects:

- free arm for sewing hems
- extra-high presser foot position
- easy conversion clip-on presser foot
- 3-piece feed dog
- darning plate included.

### A HOST OF STITCH PATTERNS

The reference chart on the front of the machine will guide you in the choice of the appropriate stitch for your creative project from a selection of 23 patterns:

- a choice of satin stitches for decorative effects
- many utility stitches, including a variety of stretch stitches
- a 4-step buttonhole (foot included).
- center and left needle positions for straight stitch

### CONVENIENT 3-DIAL SYSTEM

Choosing the desired stitch pattern or settings couldn't be easier. Three conveniently placed dials will lead you through:

- selection of the stitch pattern
- adjustment of the stitch length, available up to 4 mm, plus preset length for sewing perfect stretch stitches
- adjustment of the stitch width, available up to 5 mm.
