

# eXpressive 830L

computerized embroidery machine

#### EXTRA-LARGE EMBROIDERY

The elna eXpressive 830L includes all what you need to customize your projects with embroidery and achieve sumptuous results:

- maximum embroidery size for designs up to 200 x 360 mm
- new extra-large hoop provided as standard accessory
- wide extension table

#### FOR DESIGN LOVERS

Because embroidery is at the heart of this model, you will benefit from many tools supporting your creations:

- library of 180 built-in designs and 6 typefaces for monograms
- large full-color LCD touch screen
- extensive editing functions accessible directly on the machine
- USB and direct connection to PC for easy design transfer

#### HASSLE-FREE OPERATION

Experience pure embroidery pleasure! As an extra bonus, we designed an array of functions to facilitate your work:

- built-in superior needle threader
- button-operated automatic thread cutter
- programmable thread trimming after jump or color change
- bobbin and upper thread sensors
- automatic return after a thread break
