

Bring immersive 3D sound to your favorite shows and movie nights.

Whatever you love to watch, the all-in-one Harman Kardon Enchant 900 turns it into a cinematic 3D surround-sound experience. Whether it's time to watch an action-packed superhero adventure, take in a raucous football game, or dive into your favorite playlist, you'll feel pulled into the moment. With MultiBeam™ technology, you can enjoy room-filling sound without any extra wires or speakers. Nine drivers deliver full, rich sound. Two up-firing height channels provide true Dolby Atmos effects, and PureVoice technology ensures that you'll never miss a line of dialogue. The Harman Kardon Enchant 900's sleek, minimalist design, made in part with recycled materials, fits elegantly into any room's decor.

Features and Benefits

3D surround sound with Dolby Atmos® and MultiBeam™

Your favorite movie, game, or song becomes an immersive experience with Dolby Atmos® and MultiBeam™ coming from an elegantly crafted soundbar. Nine drivers, including two 2.5" up-firing height channels for true Dolby Atmos® effects, create a 3D surround sound experience, as MultiBeam™ technology creates a spacious soundstage all around you without the hassle of extra wires.

Distinguished design

The Harman Kardon Enchant 900 features more than fantastic sound. Its beautiful design makes it a joy to have in your home, blending seamlessly with nearly any style of decor. This attention to detail is evident throughout the design, from its sleek, minimalist form to the striking control panel that's wonderfully easy to use.

Bluetooth™ and Wi-Fi built-in with AirPlay, Google Cast™ and Spotify Connect

Expand your listening possibilities. The Harman Kardon Enchant 900 has Wi-Fi built-in and works with AirPlay, Google Cast™ and Spotify Connect, so you can listen to the music streaming service of your choice with the best possible sound. Instant Bluetooth connection makes it simple to wirelessly connect your phone or other device, so you can immerse yourself in your new favorite song or unwind to your relaxation playlist.

Smart dialogue enhancement with Harman PureVoice technology

PureVoice ensures that speech is crystal-clear at any volume, so you can enjoy thunderous action or quiet dramas and still hear the dialogue.

Easy sound calibration

Every room is different. Our calibration feature ensures that the Harman Kardon Enchant 900 delivers the best 3D surround effects in any interior and room layout, wherever you choose to place it.

Ultra HD 4K pass-through with Dolby Vision™

Get the best possible visual quality with compatible media sources. Simply connect via the HDMI input on the connection panel.

HDMI eARC

The Harman Kardon Enchant 900 is compatible with just about all televisions on the market, offering a direct connection for the highest-quality uncompressed Dolby Atmos® surround sound content.

Harman Kardon One App

The Harman Kardon One app easily helps you set up the Enchant 900, personalize audio settings, and browse the integrated music services to find your new favorite playlist. You can also customize EQ and control all your compatible speakers in one convenient place.

Multi-channel surround sound

The Enchant 900 provides superior 3D spatial audio all by itself. But why stop there? You can create up to a 7.1.4 channel system by adding the Harman Kardon Enchant Sub for thundering impactful bass. And add two Harman Kardon Enchant Speakers. These additions will make the soundstage even wider, and add two more up-firing channels to make the 3D sound experience even more immersive.

Made in part with 100% recycled polyester yarn, 85% of recycled plastic frame and 100% of recycled aluminum strip.

The Harman Kardon Enchant 900 is made with 85% recycled plastic, 100% recycled aluminum and 100% recycled polyester yarn. It's Energy Star-certified and it's packaged in FSC-certified paper printed with soy ink.
